

Discretionary Fee Schedule

County of San Diego, Planning & Development Services Effective 7/10/2026

The discretionary fee schedule list fees and deposits that are required to be submitted with each application type. The application cannot be processed or assigned to a Planner unless the complete submittal package and payment have been received. Totals identified on this table are not inclusive of DEHQ fees. Fee will be collected by DEHQ per DEHQ fee ordinance after project submittal to the Zoning Counter. If project is a violation case, please note that the violation fee is not included in the total and varies per discretionary permit type. Please refer to the specific application type for applicable violation fees.
